STEP 1 Tell us about yourself.

(We need one adult in the family to be the contact person for your application.) First name, Middle name, Last name & Suffix 2. Home address (leave blank if you don't have one) 3. Apartment or suite number 4. City 5. State 6. Zip code 7. County 8. Mailing address (if different from home address) 9. Apartment or suite number 12. Zip code 10. City 11. State 13. County 14. Phone number 15. Other phone number 16. Do you want to get information about this application by email? ☐ Yes ☐ No Email address: 17. Preferred spoken or written language (if not English)

STEP 2 Tell us about your family.

Who do you need to include on this application?

Tell us about all the family members who live with you. If you file taxes, we need to know about everyone on your tax return. (You don't need to file taxes to get health coverage.)

DO Include:

- Yourself
- Your spouse
- Your children under 19 who live with you
- Your unmarried partner who needs health coverage
- Anyone you include on your tax return, even if they don't live with you
- Anyone else under 19 who you take care of and lives with you.

You DON'T have to include:

- Your unmarried partner who doesn't need health coverage
- Your unmarried partner's children
- Your parents who live with you, but file their own tax return (if you're over 19)
- Other adult relatives who file their own tax return

The amount of assistance or type of program you qualify for depends on the number of people in your family and their incomes. This information helps us make sure everyone gets the best coverage they can.

Complete Step 2 for each person in your family. Start with yourself, then add other adults and children. If you have more than 2 people in your family, you'll need to make a copy of the pages and attach them. You don't need to provide immigration status or a Social Security Number (SSN) for family members who don't need health coverage. We'll keep all the information you provide private and secure as required by law. We'll use personal information only to check if you're eligible for health coverage.

STEP 2: Person 1 (Start with yourself)
Complete Step 2 for yourself, your spouse/partner and children who live with you and/or anyone on your same federal income tax return if you file one. See page 1 for more information about who to include if you don't file a tax return, remember to still add family members who live with you.
